

DIVE into the DEEP OCEAN
and EXPLORE

Submarine Pilot Courses

For thrill-seekers looking for extra-ordinary experiences !

Diving into the deep ocean is a fascinating dream for many of us. Inspired by Jules Vernes and Jacques Cousteau, this dream becomes reality with our Deep Ocean Submarine Experiences. **Waterproof Expeditions** and world's leading manufacturer of personal submersibles **U-Boat Worx**, have teamed up to offer exciting Submarine Pilot Courses. Sign up now and operate a U-Boat Worx submersible yourself !

The Courses are taken on board our support vessel cruising the deep waters around the beautiful Mediterranean island of Malta. A fantastic opportunity to explore the depths of the clear azure seas with interesting wrecks, from warships and airplanes to stunning artificial reefs. In the evening you are transferred back to your hotel for fine wining and dining and comfortable accommodation. Whether your pilot's license is your main objective, or an added benefit, you'll have the time of your life !

Starting August 2015 Malta
